# We Look to the Future

In the busy days that lie ahead, often we shall find time to look back to our high school days and fondly recall them as the best years of our lives. We will always think of the mornings that we had to run for the school bus or found ourselves with a flat tire half way to school. Remember the times we stood in the cafeteria line waiting to be served and the noon hours spent in dancing and idle chatter in the balcony of the gym? Sometimes our classes were overcrowded or too cold or too warm. And who could forget the nostalgic odors emitted from the chemistry lab — how different they were from those produced in the cooking room! But the things that we shall most remember are the people we've met, the games we've enjoyed, the clubs we've joined, and the stores we've patronized in order to help the school — Griffith High, which has given us the most important thing in our lives — our education. The knowledge, confidence and determination we have gained will help make us better men and women. Our education has instilled in us the faith of God, the love of home and country, the trust in our fellow-men that will enable us to overcome all the hardships we may encounter; the trials and tribulations we may endure. We look to the future — prepared to face the world as successful men and women; resolved to be great in our deeds, true in our word, and high in our honor, for we are the life of the nation.

# Pass Periods Give Students

Gangway! John James and Bill Johnston are late for class!

Can you imagine what school would be like without halls?

How would boys walk their girl friends to class? For that matter, how would anyone get to class? We couldn't have lockers because we would have no way to reach them. And most important of all, we couldn't communicate with our friends.

Karen Dolson, Ron Marion, Bill Feeney, and Peggy McDermott engage in a leisurely gab session in the halls.

These gabby women! Bruce Duykers would like to use the telephone, but Mary Jo Brant is determined.

# the Opportunity to Meet

Boy, is she thirsty! Louise Moorman and Carolyn Fejes look on as Marlene Jasek takes a drink.

Need some paper or pencils? Janice Smith and Claudia Bapst visit the bookstore and buy supplies from Sharon Hoetfelker.

Halls are the high schooler's chief means of communication. In the classroom we educate our minds, but in the halls we meet and greet friends, transmit important and unimportant messages, begin and end romances, discuss, dispute, encourage, discourage, and display.

Students can be seen talking and laughing with friends, stopping at the water fountain for a drink, visiting the bookstore, and frantically digging around in their lockers for that lost book.

At the beginning of each of our four years we return to those halls, and are pleasantly surprised to find them looking the same as the year before. The halls of our high school are a symbol of the friendships, the fun, the studies, and the everyday activities of our high school lives.

Senior Martha DuBois believes in decorative lockers!

# Girls' Athletic Association

Colleen Finik, Vice President of G.A.A., presents a bouquet of roses to Carolyn Fejes, President.

Once each year the Girls' Athletic Association transforms the gym into a wonderland where girls in frothy dresses dance and chat with their dignified-looking escorts.

This year, December 13 was the special night of the G.A.A. formal dance, one of the social highlights of the year.

Members of the club worked all day long on the decorations and achieved beautiful results! Carrying out the theme of "White Christmas," the stage was decorated with a white flocked Christmas tree perched upon a snow bank. An enormous blue and silver star glittered behind the tree, which was flanked on both sides by glittering silver reindeer. A ceiling of white crepe paper was suspended above the gym floor, and silver snowflakes sparkled at intervals. Lounge furniture

Jack Basz and his band provide music for the dancers.

Lynn Marlow, Pat Larson, Jim Shearer, and Corky Root relax at one of the tables which surround the gym.

Cupid would have been enchanted had he been present in Griffith High's gym the night of February 14, 1959. At that time the Lettermen's Club's annual semi-formal dance was in full swing.

The theme of the dance, "Young at Heart," was carried out beautifully in the decorations. Red and white crepe paper constituted a false ceiling, and twisted strands of red and white formed slight "curtains" on either side. Sparkling red hearts were suspended from the ceiling. White-clothed tables for four surrounded the gym floor and added something new and different to the dance.

Music was provided by the "Dukes."

Attention focuses on the Dukes who provided music for "the young at heart."

## the Dance "Young at Heart"

Terry LaNoue, Mike Kinsey, and Doug Allen do a fine impersonation of the McGuire Sisters.

"Oh, Ambrose," coos Gar Underwood to George Bobal, "why do we have to keep walking?"

Highlighting the dance were three skits presented by members of the Lettermen's Club. George Bobal as "Ambrose" walked through a dark, but delightful subway tunnel with his "girlfriend," Gar Underwood. Don Turley, Jim Shearer, and Ed Zarndt cavorted in harmony with the recorded antics of the three "Singing Chipmunks," Simon, Theodore, and Alvin. Their enthusiasm was curtailed only by their harassed instructor, John James. Terry LaNoue, Mike Kinsey, and Doug Allen did a magnificent impersonation of the McGuire Sisters. The audience also enjoyed a bit of choreography on the part of the "Sisters."

The dance was deemed a great success. And who is going to prove that Cupid wasn't really present after all?!

# Rally, Game, and Dance

Festivities officially began on Thursday, October 9, with the Homecoming parade. The parade proved to be the largest and most colorful in Panther history. Each class and most school clubs entered floats in the parade. First prize for floats went to the queens' float. The girls of '59 took first prize for cars.

The parade drew up at the athletic field where the enormous bonfire was ignited by football team co-captains Don Turley and Tom McGee. The cheerleaders led pep activities and a snake dance after which a sock hop was held in the gym. Music for the sock hop was provided by the Sophisticats.

October 10 — the big day arrived at last! A determined Panther team beat the Dyer Indians to secure a Homecoming victory.

Queen Sandy and her court reigned at the Homecoming Victory Dance held after the game. Entertainment was provided by the "Unknowns."

Happy Griffith students will long remember Homecoming '58.

Hail the Queen! Smiling Sandy Janzig has just been crowned 1958 Homecoming Queen.

# Variety to School Week

Turnabout is fair play — Judo expert Mr. Osaki is thrown by Griffith senior, Claudia Griswold.

Activity period, a creation of the new 70-minute period system inaugurated this year, takes place each Wednesday morning during third period. It is under the direct supervision of the Student Council, which plans and directs all activities.

Every other week activity period features club meetings, record rooms, a small games room, movies, a study hall, and general activity in the gym.

On alternate weeks, the Student Council engages various acts and speakers for the entertainment and education of the student body.

Varsity cheerleaders stir up school spirit at a pep session.

## Students Are Active in All

Sandy Vondy gets a bit of advice from Terry Schmidt in a scene from the Christmas play, "A Lesson From Luke."

A white flocked Christmas tree added spirit to the Christmas season.

With the help of the Dramatics Club and the Choral Department, the Student Council presented its annual Christmas program on December 17 during the activity period.

First on the program was the one-act play, "A Lesson From Luke," dramatized by Earl Diac. The cast for the play included the following members of the Dramatics Club:

Myra .....	Cookie Doan
Mrs. Reynolds .....	Gloria Murphy
Judy .....	Sandy Vondy
Bob Drake .....	Alden Schmidt
Mr. Counts .....	Jim Killion
Mrs. Dabrowski .....	Barbara Sheets
Mary Dabrowski .....	Pat Brown

The director of the play was Miss Lois Hodson.

Under the direction of Miss Carole Webster, the Choral Department presented a variety of Christmas songs. Among them were "I Wonder as I Wander," "The Winter Song," "Alleluia," and "Winter Wonderland." The program was concluded with a rousing "We Wish You a Merry Christmas."

## Phases of School Life

Couples gather for friendly chatter during the intermission of the Page One Ball.

Thus read the programs of every girl who attended the Page One Ball on Saturday evening, November 15, 1958. The Ball was sponsored by the "Panther Press," Griffith High School's newspaper.

Reporters, editors, typists, feature-writers, and the sponsor, Mr. O'Rourke, were on the scene all day long, and their decorating efforts produced beautiful results. Twisted strips of turquoise blue and white crepe paper formed "curtains" along the sides of the gym; while a "wall" was created at the front, dominated by a huge banner with the words "Page One Ball" in turquoise. Clusters of turquoise balloons were suspended from the ceiling.

Midway through the evening, Virginia Lambert, editor of the "Panther Press," introduced her staff and expressed the hope that everyone was having a good time.

Dear Diary:

This has been a glorious evening! Among my choicest memories will be the Page One Ball of 1958.

I was escorted by my boyfriend, and he certainly looked his handsome best. I wore my new dress with a beautiful corsage of lovely flowers. The Aristocrats' music was wonderful, and our favorite number was — well, we really enjoyed them all! We left the Ball at 11:00 and went to a very nice restaurant. I just tiptoed in at 1:30, climaxing the fabulous night.

Preparing to leave the dance, boys help their dates with their coats.

Anxiously awaiting the announcement of the 1958 Prom King and Queen are candidates, left to right, Janice Baird, Mary Jo Brant, Sandy Janzig, Treva Dickson; Ken Moretton, Walt Ivers, Don Turley and Tom McGee.

After six months of exhaustive work and planning by the class of 1959, last year's Prom, entitled "Wishing Ring," was presented at Lincolnshire Country Club in Crete, Illinois.

Music for the Prom was furnished by the Johnny Kay Orchestra. Midway in the evening Kenny Moretton and Mary Jo Brant were announced the winners of the King and Queen honors by Mr. C. R. Kelly. After Judy Karlson and D. Page Bennett officiated at the crowning, the King and Queen led a short procession in the Grand March. The other King and Queen candidates were Sandi Janzig, Tom McGee, Janice Baird, Walt Ivers, Treva Dickson, and Don Turley.

Sandy Janzig and Fred Garrard take the spotlight accompanied by the Paul Louise Combo and smiling onlooker Jim Lounsbury.

At the magic stroke of midnight the Post Prom Party got underway with a dinner of either steak, chicken, or shrimp.

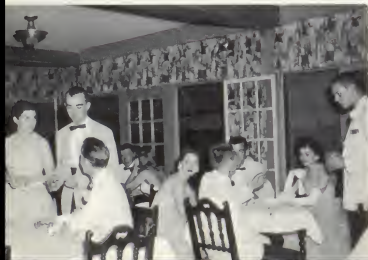

Upon completion of the dinner, a party began with Jim Lounsbury serving as M.C. Providing the music was a talented young group from Rich Township High School called the Paul Louise Combo. During the party prizes were given for dancing; and streamers, noisemakers, balloons, and hats were passed out to add to the merry making.

When the party ended many students attended numerous breakfast parties.

The following day found most couples on a cold beach at the Dunes or at Turkey Run State Park.

The Class of 1958 presented its Senior Play on May 2, 1958, in the high school gym. Their presentation was "Cheaper By the Dozen," a three-act comedy dramatized by Christopher Sergel from the book by Frank B. Gilbreth, Jr., and Ernestine Gilbreth Carey. The hilarious antics of the Gilbreth children resulting in verbal explosions from Father Gilbreth kept the audience laughing from beginning to end.

Mr. Robert L. Burnett was the director of the play.

A boy? For her? Martha, Anne, and Ernestine ignore their brothers, Frank and Bill.

# The People

## We've Met

As our memories linger back to our high school days, we shall probably most remember the people we have met.

The first person we encountered early in the morning was the bus driver. How patient he was to wait an extra minute while we ran that last block!

In our first period class we greeted our teacher, just as we greeted our other teachers in our classes throughout the day. Latin, history, English, math. — whatever they taught, they all deserve our respect and admiration for having guided us through four of the most provocative years of our lives.

During the course of the day announcements were made by our principal or other members of the administration. Perhaps we came in contact with them when we visited the office to adjust our schedules or obtain absence forms.

And, of course, throughout the day — in classes, in the cafeteria, and in the halls, we met our friends — the friends we said "hi" to as we brushed past them; the friends who lockered near us; the friends who sat next to us in class; and those special friends with whom we discussed last night's date.

These are the people we have met and will most remember — the shining symbols of the fun-filled years at good old GHS.

Eldon Ready, superintendent of Griffith public schools, is shown talking on the telephone in his office.

Since Mr. Eldon Ready came to Griffith as high school principal twelve years ago, Griffith schools have undergone their greatest growth. Through his untiring efforts, our new high school has been built, and this year grade school students moved into the new Eldon Ready Elementary School, rightfully named in recognition of Mr. Ready's contributions to the education of the children of Griffith.

Mr. Ready is completing his third year as superintendent of schools. He is a graduate of Indiana State Teachers College and received his master's degree from the University of Chicago.

Because of his conscientiousness and diligence, Mr. Ready is respected by both the community and the students of Griffith. Everyone hopes that he will remain superintendent of schools for many years to come.

## A Capable Leader Engenders

Looking things over are members of the school board of the Griffith public schools. *LEFT TO RIGHT:* Jesse E. Sheets, President, John W. Govert, Treasurer; and Ted Tom, Secretary. Not pictured is John Hilbrich, Attorney.

Understanding and helpful, our principal, Mr. Kelly, is always available in his office to talk with and advise students about their problems.

Mr. Kelly and Marty Cole pause for a friendly chat in the school corridor.

## Self-Confidence and Spirit

Walking down the main corridor, one passes the door marked "Principal." If he has been a student of Griffith High very long, he knows that behind the door he will find a welcome smile and a helping hand.

Our principal, Mr. Clint R. Kelly, has just finished his second successful year at the helm of Griffith High. His success is due not only to his ability to smoothly administer the operation of Griffith High, but also to his versatile qualities of leadership, friendliness, and concern for students which have won him the complete acceptance and co-operation of the student body.

Several changes resulting in decided improvements have been wrought under Mr. Kelly's guiding hand. Much new equipment has been installed, and

many new courses such as journalism, developmental reading, geography, photography, advanced biology, advanced bookkeeping, and music theory have been added to the curriculum of Griffith High. Several decorating improvements providing for a more pleasant atmosphere in the cafeteria and library have been brought about. Mr. Kelly is also largely responsible for the trial inauguration of the new 70-minute period program, which includes a floating subject and an activity period on Wednesday.

We at Griffith High School are confident that Mr. Kelly will continue to work well with our student body, our faculty, and our facilities. In the years to come he will be remembered for his many fine contributions toward the improvement of our school.

Mr. Bridges, Assistant Principal of Griffith High School, goes about his work with a cheerful smile.

At one time or another every boy at Griffith High has probably visited the office of Mr. Bridges. Perhaps it was to obtain an absentee form; maybe it was to report for an extra duty; or it might have been to iron out a disciplinary problem. Whatever the case, all boys have been impressed by the decisiveness, capability, and understanding of Mr. Edwin M. Bridges, Assistant Principal at Griffith High.

Besides his work with boys, Mr. Bridges performs countless duties which add greatly to the smooth administration of Griffith High. He is always ready to help whenever he is needed.

It was this year that Mr. Bridges received the title of Assistant Principal. We hope that he will remain with us for many years to come.

## Good Leaders Are the

Mrs. Warner, Director of Guidance, is always willing to lend a helping hand.

High-schoolers wouldn't be human if they didn't have problems; and girls at Griffith High know that when they have a problem that is difficult to solve, there is always someone to whom they can turn to help them find a solution. That someone is Mrs. Cecile Warner, who has been Dean of Girls and Guidance Director at Griffith High for many years.

Besides her work with girls, Mrs. Warner is in charge of vocational activities; and her conferences with college-bound seniors have proved most helpful.

We at Griffith High are fortunate to have with us a capable and understanding leader like Mrs. Warner.

Our congenial secretary, Mrs. Clark, is always ready with a willing smile and a helping hand.

Smiling Mrs. Kane, secretary to Mr. Ready, looks up from her work to greet visitors.

## Keynote to Our Democracy

What is a good secretary? Perhaps this question could be answered more easily by stating that both Mrs. Kane, secretary to the superintendent, and Mrs. Clark, secretary to the principal, are excellent examples of good secretaries.

A secretary's job entails many technical and miscellaneous duties which all add up to one thing — the smooth administration of the office system with which she is connected.

Both Mrs. Kane and Mrs. Clark have done a wonderful job! We, the students, extend a resounding vote of thanks to the Griffith school system's two competent secretaries!

Rosann Heimberger, Dewey Dallas, Jim Soderstrom, and Bob Sena visit the office and seek the aid of Mrs. Clark.

## Cafeteria Staff and Custodians

The best time of all — lunchtime!

The noon bell rings. There is a mad rush — a slamming of lockers, a loud pattering of feet; and in a few seconds the serene, dignified atmosphere of the cafeteria is converted into a general hustle and bustle by anxious students with empty stomachs.

Silver trays clatter their way to a vacant spot at one of the tables, and friends congregate to discuss the morning's occurrences over lunch.

The congenial atmosphere present during lunchtime is beneficial to the student body and the faculty both. Here you sit, Typical Student, leisurely eating lunch in the familiar surroundings of your high school cafeteria while only a few feet away, also enjoying her lunch, sits the teacher who just lectured in one of your morning classes. What could be more satisfying than to see the teacher and the student who work together, relax together.

You've seen him — the janitor — energetically pushing that long-handled mop down the hall. And the janitress — you've seen her rubbing briskly at those windows.

Fortunately, Griffith High has been blessed with several janitors and janitresses; all competent workers. Our janitorial staff performs countless duties besides those mentioned. Members of the staff can always be depended upon to do their best, and their help is ever available when needed.

We, the students of Griffith High, owe a great deal to the janitorial staff. Through their untiring efforts, they make it possible for us to work and study in pleasant surroundings at all times.

Mrs. Murawski, janitress, wants to be sure that the window is clean!

## The Games

### We've Enjoyed

Classes have barely begun in the fall before students make that first football game their main topic of discussion. Each day after school finds football and cross-country boys working out on the field. Then almost immediately it's basketball season, followed by track, baseball, and golf.

It is a fact that sports play an important part at Griffith High School, for sports affect everyone. Ask the boys who wear the Lettermen's jackets how it feels to walk behind that letter they have worked so hard to earn. Ask the cheerleaders what it's like to stand behind a team by patiently practicing routines and yelling loudly and clearly at all times. Ask the student body how it feels to sit on the bleachers and back a team with faithful cheering.

They'll all give you the same answer — it feels great! And that answer boils down to just one thing, a tremendous amount of that intangible commodity we call "school spirit."

Everyone likes to win; but even when the game is lost, that feeling of pride that you, Typical Student, have in your team, can't be beat. It's your team — a part of you; representing you; fighting for you. To you it is victorious.

Grantland Rice expressed it quite well when he said: "When the one Great Scorer comes to write against your name — He marks — not that you won or lost — but how you played the game."

## Speed and Spirit Bring

Zarndt makes gain on only carry.

McGee falls to Edison tackler.

Under the expert coaching of our rookie coach Carl Adams, who has replaced retired coach Richard Beck, we finished the 1958 football season with an eight and two record.

Included in this record was an undisputed Calumet Conference title with seven wins and no losses. This was the first time since 1950, that we have won undisputed claim of the crown. We have now won thirteen of our last fourteen conference encounters over the past two seasons.

In our opening game of the season we defeated Lowell 13 to 7 on our home field. In this game Al Raduenzel made one of his two touchdowns on fumble recoveries.

Tom Kurth: Assistant football coach.

The next game pitted us against Portage who ranked second in the conference and was the winner of one game from state-ranked Horace Mann. We defeated them 25 to 6 on the running of Lynn Garrard and Don Turley. Our third encounter of the year put us on the spot as we were beaten 32 to 13 by eighth-ranked Hobart on their home field. Bouncing back from the rigors of defeat we topped Calumet 21 to 13 at home. This game was

car-marked by an offensive exhibition by Lynn Garrard who was responsible for 15 of our points. In gaining our third conference victory we met East Gary on our own battle-ground and depleted their offense for 33 points to their 6.

# Success to Panther Team

Opposition's tackle foils Turley.

Turley misses as Raduenzel closes in.

Tom McGee proved to be our main spark plug in this game. While gaining 140 yards he scored 12 points. Don Turley scored four touchdowns and gained 164 yards to almost single-handedly defeat Merrillville 27 to 14 at their Homecoming game. Our 41 to 12 romp over Dyer gave us five conference wins and paved the way for our encounter with Gary Wirt. Wirt, who defeated us for the championship last year, fell to our offense 21 to 6. We then entered the slaughter-house category as we were butchered by the mighty Crown Point team 34 to 7. Reviving ourselves we

traveled to Edison to try to gain our undisputed conference title. We won 13 to 6 on good play from all and ended a successful season.

Individually Garrard led the rushers with 559 yards and a 5.03 yard per play average followed by McGee with 443 yards and a 5.27 average, and Turley with 444 yards and a 4.53 average.

Garrard also led in passing with 500 yards gained on 31 completions out of 75 attempts for a 41 per cent average. He had a 6.67 average for six touchdowns.

McGee rounds end in gain attempt.

Ed Zarndt analyzes opponent's play.

## Varsity Teams of the Future

Jerry Starek had 244 yards on 16 completions out of 42 attempts for 38 per cent. He also threw four touchdown passes.

Turley, one of the best punters in the Calumet Area, had an average of 34 yards per try in 25 attempted kicks. Garrard was second with a 26 yard per try average in seven attempts.

In the pass receiving department, McGee has proved himself the most nimble fingered by catching 14 aerials good for 213 yards. Ed Zarndt was second with nine receptions and 101 yards. Those remaining included Turley with seven receptions for 134 yards, Garrard with four for 43 yards, Starek with five for 111 yards, John James with three for 30 yards, and Terry LaNoue with one for 9 yards.

Garrard also kicked 22 of 32 attempted conversions for a 67 per cent average.

As a team, we averaged 22 points per game as contrasted by our opponent's 14 per game average. In first downs the opposition and we each finished with a ten per game average. This is very misleading since we outgained our foes to the tune of thirty yards per game. We had an average of 74 yards per game through the air to their 76 and 166 on the ground to their 134. Our average gain per play was a very respectable five yards per try while the opposition had a four yard per try average. Our best offensive exhibitions of the year were our 311 yards rushing against Merrillville and 138 yards passing against Crown Point.

Rich Beiriger, Dick Summers, Garrard, Turley, and James made the All-Conference Team. Starek, Zarndt, LaNoue, Shearer, and Raduenzel won All-Conference honorable mention.

One odd thing occurred when McGee, Zarndt, and Garrard were named to the All-State honorable mention team, because Tom wasn't on any conference team and Ed was only honorable mention; and yet each gained state recognition.

Lynn Garrard was voted the most valuable player and the most valuable backfieldman for the 1958 season, and John James was named the most valuable lineman.

Congratulations on a job well done to the coaches and players who made this a most successful season.

Griffith's scrappy Junior Varsity Football team, motivated by a strong desire to win, went undefeated in Calumet Conference play and compiled a 602 overall record. Throughout the season Coach Tom Kurth's boys came through with timely points to assure a Panther victory.

Two of the best played games were Hobart (6-7) and Calumet (13-7) in which effort and sound fundamentals were used.

From the looks of this past season we can safely anticipate future years of good football at Griffith High School.

# The Fourth Consecutive Year

Gale Riggle

Coach Carl Sanders

The 1958 cross-country team, featuring almost all seniors on the first team, can look back to one of the finest seasons in the history of Griffith High School. The Griffith "harriers" completed the eleven regular meets with an over-all record of eleven wins and five losses. Our team placed eighth out of twenty-eight teams in the Hobart Invitational.

We won the Calumet Conference Championship for the fourth straight year as Dick Greene was the individual winner with Gale Riggle and Bill Johnston also placing on the All-Conference team. Gold track shoes were also awarded to all three of our runners.

We went through the Sectionals with flying colors despite the fact that we were defeated and barely missed the chance to go down state. Illness proved to be our downfall as Hobart took the Sectional title. We defeated all the schools in the meet with the exceptions of Hobart and Hammond Tech. We

Dick Greene

were tied by Gary Roosevelt. Greene was again the individual standout and got to travel to the state.

The nucleus of our team were returning lettermen Dick Greene, Gale Riggle, Gar Underwood, Bill Johnston, and junior Larry Miller. Rounding out the first team were Paul Lockwood, and Cliff Blanchard. Greene ran the two mile course in 9:41.5 breaking the school record and recording the best sectional time. Riggle turned in a time of 10:16, Underwood 10:31, Johnston 10:39, and Miller 10:28 for a team average of 10:16. Tom Koby and Marv Branch also completed the course in a time of less than eleven minutes.

We will lose eight lettermen by graduation and will have only one returning upon whom to build next year's team. Coach Sanders will be sad to lose his conglomeration of stamina and speed but will look to the next season in hopes of gaining his fifth consecutive conference title.

**ROW:** Doug Allen, Joe McGee, Ron Schuttrow, Bill Marlowe, Mike Kinsey, Bob Wakefield, Tom Konopasek, John DeVries, Larry Dewell.

Steve Stanczak, Varsity Baseball, asst. Football and Basketball Coach.

Our baseball picture this year should have been brighter than our four wins, nine losses, and one tie show. All of our wins were in conference play and gave us a second place berth in the standings behind Lowell and Wirt, who tied for first place.

Included in our losses was a 5 to 3 extra inning defeat at the hands of Wirt while we boasted an 8 to 1 decision over Lowell.

Despite Bob Wakefield's anemic batting average of .235, his pitching and team leadership made him our most valuable asset. Ken Dolson showed his dependability by leading our team with a .417 average and was followed by Joe McGee with a .370 average. Tom Konopasek was one of our finest pitchers but always finished on the short end of the decision due to lack of support from the rest of the team.

# Common Goals: to Win!

The Panther track squad, consisting of mostly juniors, posted a 7—5 record with wins over Emerson, Edison, Lowell, Merrillville, Portage, Chesterton, and Noll Central. In the Conference we took our share of firsts, but could do no better than a third place finish. This year's team had some very outstanding boys but lacked the depth usually supplied by the underclassmen.

Greene placed eighth in the state for the mile with

a time of 4:33.5 while Gordon cleared the six foot two inch mark and also went to the state meet. Two records were broken in the hurdles as Raduenzel set a 21.5 mark in the low hurdles, and Gordon in the high hurdles ran a fine race of 16.3. Cook placed the shot put for a forty-four foot ride. Our mile relay team of Turley, Hill, Riggle, and Greene set the new school record of 3:39.5.

## Golf and Girls Go

*SENIOR LETTERMEN:* Bob Selund, Gordon Lane, Chuck Bredesen, Darryl Blink.

After the conclusion of the 1958 season the golf team's record stood at twelve wins, six losses, and one tie. We gained a second place finish behind Dyer with a six and one record.

Of the four senior lettermen, Gordon Lane was the most outstanding by shooting par or below in practically all meets. His low was a 35 against Hammond Noll at Wicker Park.

The nucleus of the team were seniors Lane, Chuck Bredesen, Darryl Blink, and Bob Selund. Joe Zernik, a freshman, was the fifth man.

# While the Varsity Rolls Up Victories

With fifteen wins and six losses we ended our most successful season in the present reign of Coach Harold Mack. In the process of the season we broke three game-scoring marks and assembled one of the most potent offensive machines in conference history.

In the conference we went undefeated while compiling undisputed claim to the title. After winning our first game over Gary Wirt 72 to 37 we proceeded to amass consecutive wins over Edison 76 to 63, Portage 70 to 61, East Gary 90 to 58, Merrillville 71 to 52, Dyer 59 to 39, and finished at Lowell with a fantastic 102 to 57 win. In collecting 90 points over East Gary we

broke the previous high score for a Griffith team of 85. After this we turned in a 91 point performance over Tech and then ending the season with a climactic extravaganza we took Lowell by 102 to 57.

In conference play our team scored an average of 77 points per game to our opponent's 52 to take the lead in both departments. In the individual statistics there was much balance as exemplified by the fact that we had five men who accumulated 55 points or more. Ed Zarndt led the scoring with 92 points while playing only six games. He was followed by Dick Greene with 81, Jerry Starek with 77, Mike Kinsey with 59, and Don

Coach Harold Mack.

Turley with 55. In the rebound department Zarndt was high with 54 followed by Kinsey with 40, Johnston with 36, James with 34, and Greene with 31. In the plus and minus column the leaders were Johnston and Greene who each had a plus 13 for their efforts. They were followed by James with a plus ten.

Outside the conference we opened the season against Gary Roosevelt at home and were met with a 71 to 57 defeat. We then played host to South

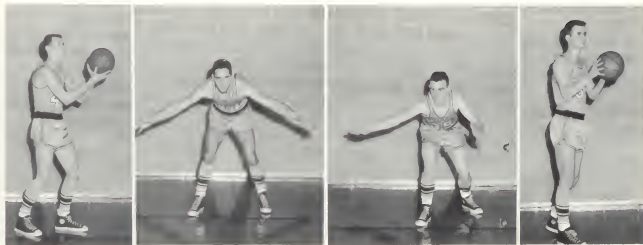

Bend St. Joseph's and gained our first win 80 to 63. After the Wirt game Rensselaer was our next victim 62 to 55. In the Culver game we played a slow first half but finished strong in recording a 53 to 36 win. Upon entering the Merrillville Tourney we defeated Crown Point 57 to 51 and Calumet 56 to 54 in an overtime to gain entrance to the finals where we were defeated by Hobart 70 to 60 in the last quarter of play. Shortly thereafter we were again confronted with

## The J. V. Takes the Varsity's Hint

John James takes a look towards Marv Branch just before grabbing the rebound.

Starek's shot is up and good before a Portage player can block it.

Calumet and lost in a revenge game 62 to 61 in the last three seconds of play. As we traveled to Hobart we in turn were after revenge, but as it turned out, the fourth quarter was again too much as we lost 47 to 42. At Hammond Morton we just couldn't get started and suffered an 85 to 54 defeat. At home again we defeated Chesterton 68 to 60 while losing to Noll 50 to 44. Then at the Tech gym we poured on the steam and rolled on to defeat them, 91 to 60. In another rematch we again defeated Crown Point 58 to 55.

The twenty-one game statistics show we had a 65 point per game average while our opponents had a 57 point game average. Individual trophies were presented to the individual leaders in field goal percentages, free-throw percentage, rebounds, and plus and minus points. Mike Kinsey was the field goal percentage winner with a 45% average; Ed Zarndt took free-throw honors with a 70% average; John

James was rebound leader with 131; and Dick Greene had a plus 36 to take his trophy. The scoring was led by Greene with 230 points and followed by Zarndt with 206, Kinsey 179, Starek 160, Turley 159, and James 151. In rebounds James was high with 131 followed by Zarndt with 122, Kinsey 116, Johnston 100, and Greene with 88. In plus and minus points Greene was high with 36 followed by Zarndt with plus 29, James plus 22, Johnston plus 22, and Kinsey with plus 18.

With the loss of nine of the twelve man varsity the outlook for next year might look ominous, but when you see that Garrard and Kinsey will be back the outlook seems to be favorable. This year's group of boys put forth their utmost effort, from the high scorer to the men who hardly ever played, and the results are very apparent. Congratulations to Coach Mack and all the players.

The Griffith Junior Varsity Basketball team along with its varsity counterparts completed the 1958—59 season with a fine record.

Although lacking height they displayed excellent team speed and scoring balance. Coach Carl Adam's crew started their year by defeating a perennially strong Gary Roosevelt, 28—26, and then going on

to win their next games before losing to Portage in the Calumet Conference Reserve Tourney finals, 33—38. They had previously beaten this same Portage team, 42—33. The highlight of the Panther season was their clash with Chesterton's Trojans, 51—30, in which the J.V.'s committed only three errors.

## The Clubs

### We've Joined

An important part of high school that usually comes under the title of extracurricular activities is our opportunity to join clubs. We who have engaged in various club activities and have recognized the real purpose of clubs cannot truthfully deem them extracurricular. Clubs educate us differently than studies by developing our personalities as well as enabling us to grow both spiritually and physically. Through clubs, we are able to define our personal goals, to recognize and make use of our own special talents, and to develop interest in the vital occurrences of the day. In clubs we work together, utilizing that impulse of unification that is all-important in our future lives.

On the lighter side, one should add that clubs are fun! A get-together with friends who share common interests always leads to an enjoyable time.

Griffin High has two major choral organizations — the Girls' Glee Club and the Choir. Choral ensembles include the madrigal singers, girls' trio, barbershop quartet, double sextet, and various other combinations.

The choral organizations' aim is to introduce fine choral music to the school and community. They strive to build citizenship, loyalty, and friendship through music. Choral members are required to attend all rehearsals and concerts, some outside concerts, and to contribute time and energy toward building the choral organizations. Outstanding members of the Choir and Glee Club receive letters after two years of membership.

### We've Patronized

The final bell rings at the end of an average school day, and everyone dashes off in different directions. But if one should pass through the downtown district shortly after school dismisses, he would be surprised by the number of students who had migrated there.

There might be a group of girls going into the drugstore for a leisurely coke, or several other boys and girls headed toward the dime-stores to buy some needed paper or pencils. Countless other students are probably strolling up and down the street, tarrying here and there to window-shop.

We are the fortunate teenagers of Griffith who are backed by our community. But the average student fails to realize how much the stores he patronizes aid his school. The merchants in our community are always ready to help out with any project that Griffith High undertakes. They place ads in both school publications; they willingly advertise school events; and they generously donate both funds and services to our school. In addition, our community stores provide us with the everyday necessities that are so essential to our schooling. Thanks to the help of our community we are able to strive for new and better goals.

## what's their future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building a sound foundation for a future in

steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.

When the books close, and the  
last bell rings,  
And carefree days are lost  
to mundane things —  
When nostalgia strikes, and  
your memory wanes,  
And you remember the faces  
but not the names —  
Pick up your yearbook and  
leaf it through,  
And remember the days so  
dear to you.
